

We know these are difficult times and while we are in this together our experience isn't equal.

We deeply appreciate the community support The Mahone Bay Centre receives.

If you're in a position to help please consider a donation to support The Centre during the COVID-19 pandemic.

Right now, your donations are amplified: for every \$1 you donate, an extra \$1 will be added by a generous partner to support The Mahone Bay Centre*.

Your donations are absolutely essential to what we do. Our Centre is closed to the public right now but we are still working to support our tenants, including the Mahone Bay and Area Food Bank, as well as doing clean-up and other work on the building where possible.

We have applied for all government support for which we qualify because our Centre Fit is closed, short term and occasional rentals have all been cancelled. We also have roof repairs we need to complete to secure our investment in new spaces and to keep our attic dry.

You can support us via e-transfer to

Please make sure we have your name and address for
receipting purposes.

**Thank you for your ongoing support. We look
forward to welcoming you back to our building
at the Heart of Our Community. Stay safe and
be well!**
